## **MANTRA RECITATION**

RANG NYI LHAR SEL THUG KA RU / KHOR LO TSIB DEN TE WA RU

In the heart chakra, of myself as Tara, is a wheel in the center of which is the white syllable TAM. The syllables of the mantra are resting on the spokes of the chakra. As I recite the mantra, it circles clockwise.

## TAM YIG KAR PO SEL WA'I TSIB / NYING PÖ KOR WA YE KOR DU

Light radiates from the mantra, bringing the buddhas' blessings into me. I become the embodiment of all the buddhas.

## KHOR WAR MIG LA NGAG DI DA

Light then radiates to all sentient beings. All their negative emotions are purified- and they become White Tara.

*Seal the dedication by sharing the merit. This short Arya Tara sadhana was written by Vajradrik Konchog Trinley Sangpo in the Padma Wo (Lotus Light) palace at the request of Ven. Namdag Dorje. By this merit may all sentient beings attain enlightenment.*

*This text was translated by Khenchen Rinpoche, Konchog Gyaltshen at the Tibetan Meditation Center.*

18

This is one of ten sadhanas that have been collected and published together on the occasion of the 25th anniversary of the founding of the Tibetan Meditation Center by Khenchen Rinpoche, Konchog Gyaltshen. The set is a companion to *Pearl Rosary, the Path of Purification*, which is an anthology of Rinpoche's commentaries on these same texts.

When Khenchen Rinpoche arrived in the United States in 1982, not even one verse of Drigung Kagyu writing had been translated into English. He began translating practices and texts almost immediately, and has taken care to refine them repeatedly over the years. Thanks to his efforts, we now have all the practice materials that we need. We are deeply in his debt for having introduced the blessings of the Drigung Kagyu lineage to our land, and for allowing us to partake of its timeless wisdom. His work opened the door for the Dharma in the West, and doubtless will be an enduring legacy for generations. May all beings benefit from this loving work!

Please treat this text with respect, as it contains the precious teachings of the Dharma. It should not be placed on the floor or stepped over; other objects should not be placed on top of it. When you no longer have use for it, please share it with someone else or burn it.
